

# CURRICULUM VITAE

**Applied Position** : QA/QC Inspector, Piping Supervisor  
**Name** : Mr. Yutthakarn Kaewpeth  
**Telephone Number** : 0868350743  
**Date of birth** : 26 August 1982  
**Gender** : Male.  
**Address** : Maptaput, Rayong.  
**Email address** : yutthakarn743@gmail.com

## Consultant's Overview

- 8 Project work as experience in Turnaround & Shutdown.
- 16 Years work as experience the field of Material Coordinator, Planner, QA/QC Inspector field piping supervisor, commissioning.
- Education background of diploma of Nakronratchasima Technical Collage in industrial Mechanic.
- Good communication skill, Able to work under pressure with multicultural environment, Analytical skill, Able to learn new things, 'can-do' attitude, Problem – solving skill
- Good skills in Oracle data update program, FMCS, Microsoft Word, Excel, Power point,
- Good writing, reading English and speaking English.

## Career Summary

### December,2019 – Present

**Company** : GC ME CO.,LTD.  
**Position** : Mechanical Supervisor and Safety lead  
**Project** : MOC Turnaround 2020 MOC #7 (SCG Co., Ltd. )  
**Responsibility**

- Review work package
- Site survey and take photo recorded
- Summary work volume of package
- Review job method sheet
- Confirm line, spade blind and equipment with operation plan
- Control work follow job method sheet and safety first
- Write and open for work permit of work that (CUI work)
- Control work yet install for scaffolding flow package
- Control work yet install or demolish for insulation flow package
- Control work inspection painting, prepare surface before painting and insulation
- Take care subcontract working follow JSA or JSEA of work that (CUI work)

### Aug,2019 – December,2019

**Company** : GC ME CO.,LTD.  
**Position** : Piping Supervisor  
**Project** : MINI Turnaround 2019 PTT GC6 (GC6 Co., Ltd. )  
**Responsibility**

- Review work package
- Site survey and take photo recorded
- Summary work volume of package
- Review job method sheet
- Confirm line, spade blind and equipment with operation plan
- Control work follow job method sheet and safety first

# CURRICULUM VITAE

- Witness Material inspection (MIR&RIR)
- Witness installation to fit-up before electronic welding.
- Witness visual check as weld and to figure length welding
- Witness line check punch list and clear, Cat "A" and "B".
- Witness inspection hydrostatics test flushing line and dew point check this completed
- Witness inspection painting, prepare surface before painting and insulation

## **May,2019 – July,2019**

**Company** : HRI Entec CO.,LTD.  
**Position** : QA/QC Inspector  
**Project** : Waste Heat Boiler and Steel Fabrication (PTT GC OXIRANE Co., Ltd. )  
**Responsibility**

- Installation to fit-up before electronic welding of Air Ducting, Casing, Stack and Incinerator.
- Visual inspection as weld and to figure length welding of Air Ducting, Casing, Stack and Incinerator.
- To prepared report for fit-up and visual
- Make MT all as weld, damage and report
- Visual inspection surface preparation and painting of Air Ducting, Casing, Stack and Incinerator
- Visual inspection packing of Air Ducting, Casing, Stack and Incinerator delivery to site

## **January,2018 – Decsamber,2018**

**Company** : Relia Space co., Ltd.  
**Position** : Material Coordinator  
**Project** : Turnaround TA-2018 Covestro (Thailand) co.,ltd.  
**Responsibility**

- Input data of SAP the program
- Input data of Roser the program
- Input PR in cost

## **October,2017 – January,2018**

**Company** : Petracarbon Service International  
**Position** : Planner  
**Project** : Pre-turnaround TA-18 VINITHAI PUBLIC co,ltd.  
**Responsibility**

- Site survey and take photo recorded
- Prepare package pre-turnaround
- Prepare Job Method Sheet
- Prepare Job Safety Analysis
- Prepare package complete for turnaround

## **October,2016 – May,2017**

**Company** : THAI U-WON CONSTEUCION CO., LTD.  
**Position** : Material Control Supervisor  
**Project** : BCP 3E IMPROVEMENT (Bangchak-Bangkok)  
**Responsibility**

- Inspect material in stoke.
- Take of material.
- Inspect material and Certificate for matching.
- Control the disbursement of material.
- Input & output data sheet & record.

## **May,2015 – August,2016**

**Company** : POSSCO ENGINEERING CO., LTD.  
**Position** : QA/QC Inspector  
**Project** : EXPANSION PROJECT-PHASE II (PTT LNG)  
**Responsibility**

- WQT / Welder certification
- Witness Material inspection (MIR&RIR)
- Witness installation to fit-up before electronic welding for structure.

# CURRICULUM VITAE

- Witness visual check as weld and to figure length welding for structure.
- Witness line check punch list and clear, Cat "A", "B" and "C" for structure.
- Witness inspection painting, prepare surface before painting for primer, intermediate and top coat.

## **May,2014 – Dec,2014**

**Company** : EASTERN FLUID TRARNSPOT CO., LTD.  
**Position** : QA/QC Supervisor  
**Project** : Project 12" NGL PTT GSP to PTT TANK (PTT GSP)

### **Responsibility**

- WQT / Welder certification
- Witness Material inspection (MIR&RIR)
- Witness installation to fit-up before electronic welding.
- Witness visual check as weld and to figure length welding
- Witness line check punch list and clear, Cat "A" and "B".
- Witness inspection hydrostatics test flushing line and dew point check this completed
- Witness inspection painting, prepare surface before painting for primer, intermediate and top coat.

## **December,2013 – May,2014**

**Company** : UNION CONSTRUCTION & SUPPLY CO., LTD.  
**Position** : QA/QC Supervisor  
**Project** : Minor Project and Minor Metical Work T&I Project 2014 (SPRC)

### **Responsibility**

- Prepared package (ITP, WPS and from inspection)
- WQT / Welder certification
- Witness material inspection (MIR&RIR)
- Take off assemble furnace, exchanger, column and tower
- Witness cleaning tube, coil, shell, tray, spray freed pipe and channel head
- Witness external & internal coating and holiday test.
- Witness report for fit-up, visual and weld
- Witness NDT inspection all as weld, damage and report
- Request NDT MT, PT, RT, PMI, UTM, UTPA, TOFD, REPLICA, BORE SCOPE and review report
- Monitoring hydro test for tube, coil, shell, tray, spray freed pipe and channel head
- Witness final box up inspection
- Witness painting inspection primer, intermediate and top coat

## **May,2013 – December,2013**

**Company** : CR-ASIA (THAILAND) CO., LTD.  
**Position** : QA/QC Supervisor  
**Project** : SPE I & II TA 2013 PROJECT (SCC/DOW)

### **Responsibility**

- Prepared package (ITP, WPS and from inspection)
- WQT / Welder certification
- Take off assemble furnace.
- Cleaning tube, coil and exchanger.
- Witness material inspection (MIR&RIR)
- To prepared report for fit-up and visual
- Witness PT all as weld, damage and report
- Request NDT MT, PT, RT, PMI, UTM, UTPA, TOFD, REPLICA, BORE SCOPE and review report
- To prepared report for fit-up and visual
- Witness final inspection (RTO)

## **March,2013 – May,2013**

**Company** : Qualitech Engineering & Construction Co, .Ltd  
**Position** : QA/QC Supervisor and Commissioning.  
**Project** : PTT/GC6

### **Responsibility**

- WQT / Welder certification
- Material inspection (MIR&RIR)
- Installation to fit-up before electronic welding.

# CURRICULUM VITAE

- Visual check as weld and to figure length welding
- To prepared report for fit-up and visual
- Make PT all as weld, damage and report
- Air pad test & witness
- Spool inspection. Spool delivery to site
- Request NDT MT, PT, RT, PMI and review report
- Line check punch list and clear, Cat "A" and "B".
- Inspection hydrostatics test and flushing line this completed.
- Prepare and check commissioning.

## **November,2012 – March,2013**

**Company : DIALOG SYSTEME (THAILAND) LTD.**

**Position : QA/QC Inspector**

**Project : K2W PROJECT (TPCC/MKK)**

### **Responsibility**

- WQT / Welder certification
- Material inspection (MIR&RIR)
- Installation to fit-up before electronic welding.
- Visual check as weld and to figure length welding
- To prepared report for fit-up and visual
- Make PT all as weld, damage and report
- Air pad test & witness
- Spool inspection. Spool delivery to site
- Request NDT MT, PT, RT, PMI and review report
- Line check punch list and clear, Cat "A" and "B".
- Inspection hydrostatics test and flushing line this completed.
- Prepare and check commissioning.

## **February, 2012 – November,2012**

**Company : EASTERN FLUID TRARNSPOT CO., LTD.**

**Position : QA/QC Supervisor**

**Project : DOW PG PIPELINES FROM AIE PRODUCTION PLANT TO RTC PROJECT (DOW/REPCO)**

### **Responsibility**

- WQT / Welder certification
- Witness Material inspection (MIR&RIR)
- Witness installation to fit-up before electronic welding.
- Witness visual check as weld and to figure length welding
- Witness line check punch list and clear, Cat "A" and "B".
- Witness inspection hydrostatics test flushing line and dew point check this completed.
- Prepare and check commissioning.

## **July, 2011 – February,2012**

**Company : SC PLUS DEVELOPMENT Co., Ltd.**

**Position : QC INSECTOR**

**Project : PROPYLENE PLANT PROJECT (IRPC)**

### **Responsibility**

- WQT / Welder certification
- Material inspection (MIR&RIR)
- Installation to fit-up before electronic welding.
- Visual check as weld and to figure length welding
- To prepared report for fit-up and visual
- Make PT all as weld, damage and report
- Air pad test & witness
- Spool inspection. Spool delivery to site
- Request NDT MT, PT, RT, PMI and review report
- Line check punch list and clear, Cat "A" and "B".
- Inspection hydrostatics test and flushing line this completed.
- Prepare and check commissioning.

## **June, 2011 – July,2011**

**Company : Vathana Phaisal Engineering Co., Ltd.**

# CURRICULUM VITAE

**Position** : QA/QC Supervisor  
**Project** : HP-SMR (SCG DOW)

**Responsibility**

- Review history sheet before hydrostatics test.
- Line check punch list and clear, Cat "A" and "B" with Technip.
- Inspection hydrostatics test and flushing line this completed.
- Prepare and check commissioning.

**June, 2010 – June, 2011**

**Company** : Renew Coil Engineering & Supply Co., Ltd.  
**Position** : QC Inspector  
**Project** : TURNAROUND 2010 PTT AR#2  
: NOVO PROJECT (SCG TPE SITE # 1)  
: TURNAROUND 2010 (SCG ROC SITE # 3)  
: TURNAROUND 2011 PTT AR#1

**Responsibility**

- WQT / Welder certification
- Take off assemble furnace.
- Cleaning tube, coil and exchanger.
- Material inspection (MIR&RIR)
- Installation to fit-up before electronic welding.
- Visual check as weld and to figure length welding
- To prepared report for fit-up and visual
- Make PT all as weld, damage and report
- Air pad test & witness
- Spool inspection. Spool delivery to site
- Request NDT MT, PT, RT, PMI and review report
- Line check punch list and clear, Cat "A" and "B".
- Inspection hydrostatics test and flushing line this completed.
- Prepare and check commissioning.

**September, 2007 – June ,2010**

**Company** : Thai Woo Ree Engineering Co., Ltd.  
**Position** : QC Inspector  
**Project** : MOC CRACKING FURNACE UNIT AROMATICE ROCOVERY UNIT (ARU)  
: THAI POLYPROPYLENE #3 PROJECT  
: REFORMER AND AROMATIC COMPLEX II PROJECT  
: ETHYLENE OFF SPEC.TANK PROJECT  
: PTT NEW PLANT II FURNACE PROJECT

**Responsibility**

- WQT / Welder certification
- Material inspection (MIR&RIR)
- Installation to fit-up before electronic welding.
- Visual check as weld and to figure length welding
- To prepared report for fit-up and visual
- Make PT all as weld, damage and report
- Air pad test & witness
- Spool inspection. Spool delivery to site
- Request NDT MT, PT, RT, PMI and review report
- Line check punch list and clear, Cat "A" and "B".
- Inspection hydrostatics test and flushing line this completed.
- Prepare and check commissioning.

**August, 2007 – September 2007**

**Company** : Vatana Phaisal Engineering Co., Ltd.  
**Position** : Foreman QA/QC  
**Project** : SOHOR ARMATICS

**Responsibility**

- Material inspection (MIR&RIR)

# CURRICULUM VITAE

- Installation to fit-up before electronic welding.
- Visual check as weld and to figure length welding
- To prepared report for fit-up and visual
- Make PT all as weld, damage and report
- Air pad test & witness
- Spool inspection. Spool delivery to site
- Request NDT MT, PT, RT, PMI and review report
- Line check punch list and clear, Cat "A" and "B".
- Inspection hydrostatics test and flushing line this completed.
- Prepare and check commissioning.

## **February, 2007 – August, 2007**

**Company** : Eakthanut Co., Ltd.  
**Position** : QA/QC SUPERVISOR  
**Project** : IRPC-Repair tank  
: Slop (Jetty)  
: Fire Guard (Jetty)

### **Responsibility**

- Material inspection (MIR&RIR)
- WQT / Welder certification
- Prepare welder list, card & certification
- Take care current of our job of Inspected Paint
- Request NDT UT, MT, PT, RT and review report

## **July, 2006 – February, 2007**

**Company** : Boonyanuch Engineering Co., Ltd.  
**Position** : QC Inspector  
**Project** : PTT-Onshore station project.  
: Alcan- Alcan G3 Thailand project.  
: Slot Nankai –Stack  
: Silencer- Tank

### **Responsibility**

- Take of material for structure and, Fitting and Pipe
- Installations to fit-up structure before electronic welding or gas welding
- Installations to visual electronic welding or gas welding for structure and Pipe
- To prepared report for fit-up and visual
- Take care current of our job of Inspect Paint
- Request NDT UT, MT, PT, RT and review report
- Inspection painting for surface preparation and coating

## **November, 2005 – July, 2006**

**Company** : Qualitech Engineering & Construction Co, .Ltd  
**Position** : QC Inspector  
**Project** : Alcan- Alcan G3 Thailand project.  
: PTT-Onshore station project.  
: PTT-Offshore station project.  
: CUEL-Piping  
: Alstom- Stack  
: Siam Michelin-Piping

### **Responsibility**

- Take of material for structure and, Fitting and Pipe
- Installations to fit-up structure before electronic welding or gas welding
- Installations to visual electronic welding or gas welding for structure and Pipe
- To prepared report for fit-up and visual
- Take care current of our job of Inspect Pain
- Request NDT UT, MT, PT, RT and review report
- Inspection painting for surface perpetration and coating.

## **January, 2005 – November, 2005**

**Company** : Qualitech Co., Ltd.

# CURRICULUM VITAE

**Position** : QC Inspector  
**Project** : Alcan- Alcan G3 Thailand project.  
: PTT-Onshore station project.  
: PTT-Offshore station project  
: ESSO-UTM pipeline  
: INDORAMA-Structure

**Responsibility**

- Prepared NDT, MT, PT and UTM .
- Prepared report.

**March, 2004 – December, 2004**

**Company** : STP& I Co, .ltd  
**Position** : QC Inspector  
**Project** : Alcan- Alcan G3 Thailand project.  
: Indorama Structure

**Responsibility**

- Take of material for structure
- Installations to fit-up structure before electronic welding or gas welding
- Installations to visual electronic welding or gas welding for structure.
- To prepared report for fit-up and visual

**April, 2003 – December, 2003**

**Company** : Thai steel Profile Co., ltd.  
**Position** : Technician  
**Detail** : To draw steel

## Education & Other Professional Qualifications

**20000 – 2002** Nakronratchasima Technical Collage.  
Diploma of industrial Mechanic.

## Language Ability / Computer Skills

**Language** Good writing, reading English and speaking English.

**Computer** Good skills in Oracle data update program, FMCS, Microsoft Word, Excel, Power point.

## Training/ Professional Skills

: Magnetic Particle Testing Level II  
: Liquid Penetrant Testing Level II  
: Visual Inspection Testing Level II
