

Arkarawit Chaiyahong

Email: arkarawit.pat@gmail.com

Mobile: 063-9596431

Religion: Buddhism

Nationality: Thai

Birth Date: 11 October 1986

Age: 34

Marital Status: Single

Address: 20/187 Plutaluang, sattahip
Chonburi 20180

EDUCATION

Thai-Austrian Technical College High Vocational Diploma Certificate in Electric Power:

CERTIFICATE TRAINING

Tropical Basic Offshore Safety Induction and Emergency Training (T-BOSIET).

SKILLS

Knowledge in Understanding in P&ID diagram, Overall general process, and Petroleum&Chemical process. Electrical&Field instrument Calibration and installation for equipment with accessories (e.g. Transmitters, On-Off&Control valve, Gauge indicators, F&G detectors, and etc.)
Loop test, Pre-commissioning, QC, Inspection test for Electrical&Instrument devices.
Computer Skill: Allen Bradley PLC program for Gas Turbine package (Rolls Royce), Yokogawa's DCS program.

REFERENCE PERSON

Mr. Nuttapong Boonchin / Senior Project Engineer (OPTEG Project)

Contact: Tel. 085-321-8369, Nuttapong.B@pttgcgroup.com

Mr. Somphong plosiri / Supervisor Instrument (ORP Project GC2)

Contact: Tel. 086-113-1100 , Somphong.P@pttgcgroup.com

EXPERIENCE

Company: GC Maintenance and Engineering Company Limited
Date: April 2020 – October 2020
Position: Inspector Instrument
Location: GC 2
Plant Description: Olefins Reconfiguration project
Job Description: Review Document & Drawing Instrument
Control & supervision for Instrument (Loop test)

Company: GC Maintenance and Engineering Company Limited
Date: April 2019 – November 2019
Position: S/V Electrical & Instrument
Location: GC GLYCOL
Plant Description: ON-Purposed TEG Project (OPTEG)
Job Description: Review Document & Drawing Electrical & Instrument
Control & supervision for Electrical & Instrument

Company: ACE ENGINEERING & CONSTRUCTION CO., LTD.
Date: June 2018 – September 2018
Position: S/V Electrical & Instrument
Location: IRPC
Plant Description: RDCC CATALYST COOLER PROJECT
PART1 CATALYST COOLER SYSTEM
Job Description: Prepare package inspection Check report inspection Material
Control E&I Witness for E&I Installation Witness Impulse Line & Air
Supply Test Punch list clearing work Control & Management
subcontractor

Company: IBCI Industrial Company Limited
Date: April 2017 – February 2018
Position: Quality Control Electric and Instrument
Location: PTT PRP Platform PCF Project (Offshore)
Plant Description: Gas Turbine Compressor
Job Description: -Field instruments calibration (e.g. Transmitters, On-Off&Control Valve, Gauge indicators, F&G detectors, and etc.)
-Electrical&Instrument equipment installation
-Inspection and Test Electrical&Instrument equipment
-Loop test for Electrical&Instrument
-Gas Turbine&Compressor package (Rolls Royce) commissioning, Function test, operation, loop test for field instruments, and maintenance.

Company: AKMN Co., Ltd.
Date: October 2016 – January 2017
Position: Inspection installation instrument & Calibrate & Loop test
Location: Wang Ta Pin Power Plant (Eastern Seaboard Industrial Estate Rayong)
Plant Description: Power Plant
Job Description: Field instruments calibration (e.g. Transmitters, On-Off&Control valve, Gauge indicators, and etc.)
-Inspection and Test Electrical&Instrument equipment
-Loop test for Electrical&Instrument

Company: JBE
Date: May 24 2016 – July 10 2016
Position: Supervisor Inspector Installation & calibrate & loop test
Location: JBE #2
Job Description: Inspector Installation Instrument & calibrate & loop test.
Equipment Control Valve On-Off valve, pressure transmitter flow transmitter, Level transmitter guide wave radar level, Diff pressure Transmitter, temperature transmitter Temp element, pressure

gauge

Company: MSL
Date: January, 2016 – March, 2016
Position: Specialist Instrument
Location: Bang Jhak
Job Description: Maintenance Equipment & function test, Control valve on/off valve, Flow transmitter Level transmitter guide wave radar level, Diff pressure transmitter, temperature transmitter Temp element, pressure gauge

Company: ASI
Date: October, 2015 – December, 2015
Position: Calibrate & loop test
Location: PTT Phenol
Job Description: Calibration & Loop test Equipment Control valve, on/off valve, Calibration & Loop test Equipment flow transmitter, Level

transmitter

Guide wave radar level, Diff pressure transmitter, temperature transmitter Temp element, pressure gauge

Company: P.N. Progressive Supply Company Limited
Date: April, 2015 – September, 2015
Position: Foreman Instrument
Location: Styrolution (Thailand) co.ltd
Job Description: Installation Equipment & Electrical control Calibration & Loop test
Equipment flow transmitter, Level transmitter guide wave radar level, Diff pressure transmitter, temperature transmitter Temp element, pressure gauge

Company: I & E ADVANCED SOLUTION
Date: February, 2015 – March, 2015
Position: Foreman Inspector Calibrate & Loop Test
Location: SCG DOW Group
Job Description: Calibration & Loop test control valve, on-off valve, Equipment flow Transmitter, Level transmitter guide wave radar level, Diff pressure transmitter, temperature transmitter Temp element, pressure gauge

Company: PECI Thai
Date: December, 2012 – December, 2013
Position: QA/QC Calibrate & Loop Test
Location: BV PROJECT
Job Description: Calibration & Loop test & commissioning function test, all instrument Equipment.

Company: MSL CO., LTD (Thailand)
Date: November, 2012 – December, 2012
Position: Instrument Leader
Location: Bang Jhak
Job Description: Loop test & function test control valve, on-off valve, pressure switch hi, pressure switch low, flow transmitter Temp element, pressure gauge

Company: S J Premier Marketing Company Limited
Date: April, 2012 – October, 2012
Position: Instrument Supervisor
Location: HMC, Nestle
Job Description: Maintenance Service and calibration control valve, on-off valve, Equipment flow transmitter, Level transmitter guide wave radar level, Diff pressure transmitter, temperature transmitter Temp element, pressure gauge

Company: S J Premier Marketing Company Limited
Date: February, 2012 – March, 2012
Position: Instrument Leader
Location: HMC Shot Down PP#1, PP#2, PP#3
Job Description: Maintenance Service control valve, on-off valve, Equipment pressure switch hi pressure switch low flow transmitter, Level transmitter guide wave radar level, Diff pressure transmitter, temperature transmitter Temp element, pressure gauge

Company:	E.S.D
Date:	January, 2012 – January, 2012
Position:	Instrument Leader
Location:	HMC Shot Down PP#2
Job Description:	Loop test & function test control valve, on-off valve, Equipment pressure switch hi pressure switch low flow transmitter, Level transmitter guide wave radar level, Diff pressure transmitter, temperature transmitter Temp element, pressure gauge
Company:	PECI Thai
Date:	October, 2011 – November, 2011
Position:	QC Technician
Location:	Sriracha Clean Fuels Project
Job Description:	QC. Inspector & Loop test, Function test. Equipment pressure switch hi pressure switch low flow transmitter, Level transmitter guide wave radar level, Diff pressure transmitter, temperature transmitter Temp element, pressure gauge
Company:	Willow Global
Date:	July, 2011- August, 2011
Position:	Instrument Calibration & Loop test
Location:	CCG Thai Oil Public Company Limited
Job Description:	Calibration & Loop test Commisioning control valve, on-off valve, Equipment pressure switch hi pressure switch low flow transmitter, Level transmitter guide wave radar level, Diff pressure transmitter, temperature transmitter Temp element, pressure gauge
Company:	C.Y.C CO.Ltd.
Date:	September, 2010 – June, 2011
Position:	Instrument Calibration & Loop test
Location:	EPS Project
Job Description:	Calibration & Loop test Commisioning, function test control valve, on-off valve, pressure switch hi pressure switch low flow transmitter, Level transmitter guide wave radar level, Diff pressure transmitter, temperature transmitter Temp element, pressure gauge
Company:	PSI.
Date:	June, 2010 – August, 2010
Position:	Intrument Calibration & Loop test
Location:	EPS Project
Job Description:	Calibration & Loop test control valve, on-off valve, pressure switch hi pressure switch low flow transmitter, Level transmitter guide wave radar level, Diff pressure transmitter, temperature transmitter Temp element, pressure gauge

Company: C.Y.C CO.Ltd.
Date: September, 2009 – December, 2009
Position: Instrument Calibration & Loop test
Location: PTT Public Company Limited 6 Gas Separation Plant Project.
Mattapan Rayong Thailand
Job Description: Calibration & Loop test Equipment control valve, on-off valve, pressure switch hi pressure switch low flow transmitter, Level transmitter guide wave radar level, Diff pressure transmitter, temperature transmitter Temp element, pressure gauge

Company: MOKASAK Engineering co.ltd (Thailand).
Date: May, 2009 – Septembe, 2009
Position: Intrument Leader Calibration & Loop test
Location: MOC CAKER PROJECT
Job Description: Calibration & Loop test control valve, on-off valve, Equipment pressure switch hi pressure switch low flow transmitter, Level transmitter guide wave radar level, Diff pressure transmitter, temperature transmitter Temp element, pressure gauge
