- Ability to work under Pressure
- Electrical & Instrumentation Equipment Testing Function and loop test
- Co-ordinate with related department
- Witness Equipment Installation and commissioning
- Regularly Report problem and work progress to leader
- Describe work flow to related party
- problem-solving skills

20 Nov - 2018 Presents - 2019

Public company

RDCC CATALYST COOLER PROJECT PART 2 BACK PRESSURE STEAM TURBINE AND UTILITIES

SYSTEM

Position : S/V QC Inspector Instrument work

Location : Rayong irpc plant

Project name : RDCC CATALYST COOLER PROJECT PART 2 BACK PRESSURE STEAM TURBINE

AND UTILITIES SYSTEM

Owner : IRPC & PTTME

Main contractor : TRC construction PLC public company

Responsibilities

- FAT. SAT. equipment instrument & witness calibration equipment instrument
- internal inspection Instrument work & confirm location installation
- pressure leak test impulse line tubing & air supply
- preparation document instrument loop page & hand over

20 JUL 2018 - 7 – NOV - 2018 JVM. supply company

Position : S/V QC Inspector Instrument work
Location : AYUTAYA
Project name : WANGNOI COMPRESSOR STATION
Owner : PTT Public company
Main contractor : Samsung engineering

Responsibilities

- internal inspection Instrument work & confirm location installation
- pressure leak test impulse line tubing & air supply
- preparation document & hand over

21 OCT 2017 - 15 Jul 2018 MSL. Master solution company

Position : S/V QC Inspector Instrument work
Location : Chonburi laem chabang
Project name : GPS BAHRAIN PROJECT
Owner : GS E&C
Main contractor : CUEL

Responsibilities

- internal inspection Instrument work & confirm location installation
- pressure leak test impulse line & air supply
- preparation document & hand over

21 March 2017 - 30 September 2017 MSL. Master solution company

Position : S/V QC Inspector Instrument work
Location : BANKKOK
Project name : EFFICIENCY, ENERGY AND ENVIRONMENT IMPROVEMENT PROJECT PHASE I
Owner : BANGCHAK CORPORATION PUBLIC COMPANY LIMITED
Main contractor : POSCO ENGINEERING

Responsibilities

- internal inspection Instrument work & confirm location installation
- pressure leak test impulse line tubing & air supply
- prepare ration document request inspection document
 - Final inspection construction & instrument work closed punch list

8 August 2016 - 20 March 2017 MSL. Master solution company

Position : S/V QC Inspector Instrument work
Location : SCG. TPE DPEX Project rayong maptaput
Owner : SCG. TPE Company limited
Main contractor : TKIS.

Responsibilities

- internal inspection Instrument work & confirm location installation
- pressure leak test impulse line & air supply
- prepare ration request inspection document
- Final inspection construction & instrument work closed punch list

January 2015 To February 2016 SK ENGINEERING COMPANY

Position : QC Inspector Instrument work
Location : IRPC. UHV. Project rayong
Owner : IRPC. Company limited
Client : IRPC. Company limited
Main contractor : SK. engineering & construction
Project : IRPC. UHV. Project rayong

Responsibilities

- internal inspection Instrument work & confirm location installation
- pressure leak test impulse line & air supply
- prepare request inspection document
- Final inspection construction & instrument work closed punch list

March 2013 To Dec 2014 PECI COMPANY

Position : S/V QC Inspector Instrument work
Location : Nong saeng saraburi
Owner : Gulf JP NS Company limited
Client : SINO-THAI
Main contractor : Mitsubishi heavy industries ltd.
Project : Gulf JP NS Nong saeng power plant project

Responsibilities

- internal inspection
- prepare request inspection document
- Final inspection
- walk down remaining work and closed punch list

February 2012 To March 2013 PECI COMPANY

Position : S/V QC Inspector **instrument work**

Location : Nong khae saraburi

Owner : Gulf JP Company limited

Client : SINO-THAI

Main contractor : Mit-power thailand ltd.

Project : Gulf JP 1102- SBC AND 1103- ICC

Responsibilities

- internal inspection
- prepare request inspection document
- Final inspection
- walk down remaining work and closed punch list

April 2011 To Feb 2012 PECI COMPANY

Position : S/V QC Inspector

Location : Maptaphut, Rayong

Owner : Advanced Biochemical (Thailand) Co., LTD.

Client : VINY-THAI Co., LTD.

Main contractor : TOYO THAI

Project : ABT - Windmill

Responsibilities

- Inspection Installation Equipment Instrument
- Process and Air Supply Tubing leak test
- Loop Test and Commissioning

June 2010 To April 2011 PECI COMPANY

Position : S/V QC Inspector

Location : Maptaphut, Rayong

Owner : Siam Synthetic latex Co., LTD.

Client : SCG Dow Chemical.

Project : Specialty Elastomers (SE Project)

SCC-DOW
GROUP

Responsibilities

- Installation Equipment Instrument
- Instrument Inspection
- Process and Air Supply Tubing leak test
- Loop Test and Commissioning

March 2010 To June 2010 PEGI COMPANY

Position : S/V QC Inspector
Location : Maptaphut, Rayong
Owner : Siam Synthetic latex Co., LTD
Client : SCG Dow Chemical.
Project : SPE II
